At the October 27, 1980 meeting of the City Plan Commission the Commission passed a resolution recommending that the Ironstone Place Annexation, Bill No. X-80-08-37 and Resolution No. R-80-08-38 be given a DO PASS. A copy of the Commission resolution and the annexation fiscal plan are attached for your consideration. The ordinance and annexation resolution have been returned to the Council for action.

The area to be annexed is located in Wayne Township south of the City. The thirty-five acres involved include only part of the proposed Ironstone Place residential development. At this time the annexation area is completely undeveloped. Annexation has been proposed by the property owner as a way to simplify the development process by having the entire Ironstone Place area under one planning jurisdiction. Annexation will also simplify service provision.

Please inform us of any meetings to discuss this annexation so that we can be available to answer your questions.
